## SKIN

### LED LIGHT STIM THERAPY

(25mins) \$60 | 4 pack \$180 (1 free)  
LED light stim therapy energizes cells and stimulates the body's natural process to build new proteins and regenerate cells. it increases collagen and elastin production, reduces inflammation, speeds up healing, increases circulation, and destroys acne bacteria.

### DERMAQUEST PEELS

(15mins) \$60 + LED (35mins) \$80

### DR SPILLER

**Dr Spiller discovery facial (30mins) \$75**

This treatment is a great introductory facial which is customised to your specific skin concern including; ageing, dehydration, impurities, pigmentation and sensitivity.

**Dr Spiller enzyme facial (40mins) \$110**

This treatment is designed to re-educate and rebuild ANY skin condition. Customized to your skin concerns, the spelt based wheat enzyme peel mask is designed to lightly resurface while supplying the upper layers of skin with Magnesium, Zinc, B-Group vitamins and Iron.

**Dr Spiller collagen fleece facial (50mins) \$140**

This treatment is individually customised to your skin concerns by incorporating active ingredients and encapsulated collagen fibres manufactured into a velvety soft non-woven tissue. This maximises results in plumping, firming, hydrating and correcting.
